2025 Community Grants Guidelines

PURPOSE OF GRANT

Prescott Community Grants are intended to support not-for-profit and volunteer-driven organizations serving Town residents through limited financial support, user fee reductions, and/or in-kind supports. The Town of Prescott provides these grants in order to assist groups with the delivery of services which reduce social, economic, cultural, or physical disadvantage, and/or improve the quality of life for residents.

ELIGIBLE COSTS & PROJECTS

1. Projects – Organizations can apply for one-time funding related to a specific project of significant benefit to the Town of Prescott. Demonstrated benefit could be cultural, social, humanitarian, environmental, recreational, an economic impact, increase community participation or education, and/or enhance the image of the Town.
2. Enhancement of Organization Effectiveness and Service – This category will assist with start-up funding or provide support/development funding for:
 - a. Internal training programs/personal development opportunities for members (i.e. coaching clinics, certification programs, skills and techniques workshops, etc.)
 - b. Equipment needs (training equipment, program equipment)
 - c. Travel to participate in provincial, national, or international activities necessary to the work of the organization
 - d. Expansion of an organization's services
3. Service/Program Delivery – To support the on-going provision of a program or service.
4. Community Events – This category of funding will assist organizations planning to host events (festivals, concerts, tournaments, conferences, workshops, etc.) open to the Prescott community. The event should be educational, celebratory, or provide an activity that would not otherwise occur in Prescott without the applicant providing it.

INELIGIBLE EXPENSES

The following activities will not be eligible for funding:

1. Flow through funding (where the intent is to redistribute the funding to others)
2. Religious or political activities
3. Activities deemed to be discriminatory

5. Expenses that have already incurred
6. Invitational or discretionary travel
7. Administrative expenses such as wages, office supplies, etc.
8. Building or capital expenses including repairs, maintenance, replacements, etc.

ELIGIBLE IN-KIND SUPPORT

In-kind supports refer to non-monetary contributions from the Town of Prescott toward the applicant's project, enhancement, service, program, or community event.

These supports may include:

1. Use of municipal property at reduced or no cost

3. Municipal staff support

Organizations requesting in-kind support must meet the eligibility requirements and submit the application as set out in this document.

Organizations should keep in mind that facility rates are already subsidized by property taxation. Efforts to seek other sources of funding, such as sponsors, are encouraged.

User fees for permits and facility use are intended to offset the operating costs of each municipal facility, service, or department. All approved in-kind contributions are funded by taxpayers. As such, the Town of Prescott tracks revenues and expenses associated with all approved requests.
