2.0 Application

This Code of Conduct applies to all Members of Council. This Code of Conduct also applies equally to all Members of Boards and Committees of the Municipality, whether or not a Member of that Board or Committee is also a Member of Council.

3.0 Confidentiality

- 3.1** Every Member must hold in strict confidence all Confidential Information acquired as a direct or indirect result of the Member's role with the Municipality. Confidential information shall not be disclosed except when required by law, or when authorized by Council or the Chief Administrative Officer.
- 3.2** Every Member shall keep confidential any information:
- (a) Disclosed or discussed at a meeting of Council, Committee of the Whole, or Committee, Board meeting or part thereof, that was closed to the public; and
 - (b) That is circulated to members of Council that is marked confidential. Any documentation marked confidential shall be kept securely until no longer required in the course of business and shall at that time be destroyed by the Member or returned to the office of the Chief Administrative Officer for destruction.
- 3.3** The obligation to keep information confidential applies even if the Member ceases to be a Member for any reason.

4.0 General Conduct

- 4.1** Every Member has the duty and responsibility to treat members of the public, staff, and each other in a respectful manner, without abuse, bullying, harassment, or intimidation.
- 4.2** A Member shall not use indecent, abusive, or insulting words or expressions toward any other Member, any member of staff, or any member of the public.
- 4.3** A Member shall not speak in a manner that is discriminatory to any individual based on that person's race, ancestry, place of origin, creed, gender, sexual orientation, age, marital status, or disability.
- 4.4** Every Member shall abide by the following principles:
- (a) Members shall at all times act ethically;

- (b) Members shall perform their functions with integrity, accountability, and transparency;
- (c) Members shall comply with all applicable legislation, by-laws, and Municipal policies, including this Code of Conduct;
- (d) Members acknowledge that the public has a right to open government and transparent decision-making;
- (e) Members shall at all times serve the interests of their constituents and the Municipality in a conscientious and diligent manner and shall approach decision-making with an open mind; and
- (f) Members shall not extend preferential treatment to any individual or organization.
- (g) Members shall not benefit from the use of information acquired or used, and that is not generally available to the public during the course of official duties.

5.0 Conduct at Meetings

Every Member shall conduct themselves with decorum and professionalism at all Council, Committee, Board, and other meetings in accordance with the provisions of the applicable Procedural by-law, this Code, and other applicable law.

6.0 Conduct at Public Events

Members may be requested to make public presentations outside of Council, Committee, Board, and other meetings or to attend public events as representatives of the Municipality. At any such event, every Member shall conduct themselves with dignity and decorum, in a manner befitting of a representative of the Municipality, in accordance with the provisions of this Code.

7.0 Conflict of Interest

- 7.1** Members must be familiar with and comply with the *Municipal Conflict of Interest Act*, as amended. It is the responsibility of each Member, not staff, to determine whether they have a direct or indirect pecuniary interest with respect to matters arising before Council, a Board, or Committee. Each Member shall determine whether he or she has a direct or indirect pecuniary interest and shall at all times comply with the Act.
- 7.2** For purposes of this Code, a pecuniary interest, direct or indirect, of a Family Member of the Member shall be deemed to also be the personal/pecuniary interest of the Member. All Members shall declare a conflict of interest where they or their Family Member has a pecuniary interest in a matter and shall take all of the actions prescribed in the *Municipal Conflict of Interest Act* as if the Act applied to that interest.
- 7.3** In addition to pecuniary interests, Members must perform their duties impartially, such that an objective, reasonable observer would conclude that the Member is exercising their duties objectively and without undue influence.
- 7.4** Direct or indirect personal benefits do not include:
- (a) a benefit that is of general application across the Municipality;
 - (b) a benefit that affects a Member or his or her Family Members, friends or business colleagues as one of a broad class of persons;
or
 - (c) the remuneration of Council, a Member or benefits available to Council or Members.
- 7.5** Every Member has the following obligations:
- (a) To make reasonable inquiries when there is reason to believe that a conflict of interest may exist;
 - (b) To make Council or the Board or Committee aware of the potential conflict of interest and where appropriate declare the interest;
 - (c) To refuse to participate in the discussion of Council, the Board or Committee and to not vote on the matter or seek to influence the

vote of any other Member where a conflict of interest exists;

- (d) To refuse to be involved in any way in the matter once the conflict is identified, including without limitation participating in meetings, facilitating meetings or introductions to staff or Members or providing advice to any person that would materially advance the matter; and
- (e) If the matter which creates the conflict of interest is discussed in closed session, the Member may not attend that portion of the closed session where that matter is discussed.

8.0 Communications and Media Relations

- 8.1** Members, when communicating with the public and media, will accurately and adequately communicate the attitudes and decisions of the Council, Board or Committee, even if a Member disagrees with a majority decision, so that there is respect for and integrity in the decision-making process.
- 8.2** It is not the intent of this Code of Conduct to restrict the ability of a Member to express a personal opinion on matters of general interest. In such cases, the Member must make it clear that the comment is being made in their capacity as a private citizen, and not as a representative of the Municipality. In no event should a Member express a position that is disrespectful of the decision of the majority of Council, a Board or a Committee.
- 8.3** Any use of social media in any form by a Member constitutes communication with the public that is governed by this section. Members shall identify in any social media communication that the views expressed by the Member are the views of that Member personally, and do not represent the views of the Municipality. Members are required to adhere to any relevant policies, procedures, and guidelines in relation to social media use in their capacity as a Member.
- 8.4** If Council has taken a position in a Local Planning Appeals Tribunal, or other tribunal or court, and instructed the Municipal Solicitor to appear at a hearing in support of such position, no Member who disagrees with such position shall give evidence at such hearing or otherwise work against the will of Council expressed in its direction to the Municipal Solicitor in such matter. If a Member has a personal interest or property interest in the matter, this

provision shall not prevent that Member from advancing or defending such interest, but the Member shall at all times identify that their participation is as a private citizen, and that such participation is not undertaken as a representative of the Town.

9.0 Interaction with Staff

- 9.1** A positive working relationship between Members and staff is largely based on mutual respect for each other's roles and responsibilities. Members are required to adhere to any relevant policies, procedures, and guidelines in relation to their interaction with staff.
- 9.2** Members shall not:
- (a) maliciously or falsely injure the professional or ethical reputation of staff;
 - (b) compel staff to engage in partisan political activities or be subjected to threats of discrimination for refusing to engage in such activities; or
 - (c) use their authority or influence for the purpose of intimidating, threatening, coercing, commanding, or influencing any staff member with the intent of interfering with staff duties.
- 9.3** Members shall recognize and respect that many members of staff are bound by professional associations to a code of ethics and professional conduct and that they provide their reports and recommendations objectively, in the best interests of the Municipality and within the requirements of their profession.
- 9.4** Municipal Council, acting as a body through formal meetings of Council, can direct that staff perform such tasks as are necessary for the efficient management of the affairs of the community, and/or research such matters as the Council deems necessary. Individual Council members do not have authority to direct staff. Council shall direct staff through the Chief Administrative Officer.
- 9.5** Board and Committee Members do not have the authority to direct staff, with the limited exception of any staff member assigned by Council to that

Board or Committee. Ultimately, Council retains the discretion to assign, remove and direct staff who provide assistance to any Board or Committee. Requests for staff changes shall be directed to the Chief Administrative Officer who shall make staffing determinations, and consult with Council as necessary.

- 9.6** The role of the Chief Administrative Officer and Directors is to direct the day to day management of the Municipality and assign duties to the staff placed under their supervision. To encourage the efficient management of the Municipality, individual Members must be cognizant of that fact and are advised of the following:
- (a) Members will respect and adhere to the Policies set by Council, and will under no circumstances take it upon themselves, individually, to circumvent established Policies.

10.0 Use of Municipal Property

- 10.1** No Member shall for personal purposes or profit, use or permit the use of any Municipal property, equipment, services, or supplies other than for purposes connected with the discharge of Municipal duties or associated community activities of which Council has been advised, unless the use is reasonable and incidental personal use of equipment such as computers, fax machines, cell phones, etc., where the Municipality incurs no additional costs relating to such use, and the use is of limited duration and frequency.
- 10.2** This policy does not apply to the use of Municipal property and facilities where such use is universally known to be available to other residents upon request and on equal terms.
- 10.3** No Member shall obtain financial gain from the use of Municipally developed intellectual property, computer programs, technological innovations or other patentable items, while an elected official or thereafter. All such property remains the exclusive property of the Municipality.
- 10.4** Municipal property and resources, including facilities, purchasing provisions, equipment, supplies, staff, and services will not be used for any municipal election campaign activities. Members are required to adhere to the 'Use of Corporate Resources for Election Purposes' policy (By-Law 02-2018).

11.0 Expenses

11.1 Members are required to adhere to any relevant policies, procedures, and guidelines with respect to any expenses included in the budget (such as, but not limited to: mileage reimbursement, conference and seminar attendance, and corporate promotional products).

12.0 Gifts and Hospitality and Other Benefits

12.1 The objective of these policies is to ensure that Members make council decisions based on impartial and objective assessments of each situation, free from the influence of Gifts.

12.2 Any stipend paid to a Member is intended to fully remunerate the Members for service to the Municipality.

12.3 Members are prohibited from soliciting, accepting, offering, or agreeing to accept any Gifts, personally or through a Family Member or associate (business or otherwise), that is connected directly or indirectly with the performance of duties of office or could reasonably be construed as being given in anticipation of future, or recognition of past, special consideration by the Member.

12.4 The above policy does not preclude Members from accepting:

- (a) Token gifts, souvenirs, mementoes or hospitality received in recognition for service on a committee, for speaking at an event or for representing the Municipality at an event;
- (b) Political contributions that are otherwise offered, accepted, and reported in accordance with applicable law.
- (c) Food and beverages at meetings, banquets, receptions, ceremonies, or similar events.
- (d) Food, lodging, transportation, entertainment provided by other levels of governments, by other local governments or by local government boards or commissions;

- (e) A stipend from a board or commission that the Member serves on as a result of an appointment by Council;
- (f) Reimbursement of reasonable expenses incurred in the performance of office;
- (g) Reimbursement of reasonable expenses incurred and honorariums received in the performance of activities connected with municipal associations;
- (h) Gifts of a nominal value that are received as an incident of protocol or social obligation that normally and reasonably accompany the responsibility of the office;
- (i) Services provided without compensation by persons volunteering their time for election campaign, provided the services are properly valued in accordance with the *Municipal Elections Act*.

12.5 Where it is not possible to decline unauthorized Gifts, Members shall report the matter to the Chief Administrative Officer. The Gift shall become the property of the Municipality and the Chief Administrative Officer may require that the Gift be retained by the Municipality or be disposed of for charitable purposes in the Chief Administrative Officer's sole discretion.

13.0 Advice and Opinions

13.1 Members may request advice or opinions from the Integrity Commissioner with respect to:

- (a) The obligations of the Member under the *Municipal Conflict of Interest Act*;
- (b) The obligations of the Member under this Code; and
- (c) The obligations of the Member under a procedure, rule, or policy of the Municipality governing the ethical behavior of the Member.

13.2 Every request for advice or opinion shall be submitted in writing to the

Clerk, who shall forward the request to the Integrity Commissioner for a response. Where the request is confidential, the request may be made directly to the Integrity Commissioner, who shall advise the Clerk that a request has been made, but not disclose the nature thereof.

- 13.3** The Integrity Commissioner shall not provide to any Member any advice or opinion with respect to the obligations of another Member.
- 13.4** Members shall be mindful of the cost to the Municipality to obtain the advice or opinion of the Integrity Commissioner and shall not abuse this entitlement.
- 13.5** The advice and opinions received by any Member are personal to the Member and are considered confidential. No opinion or advice may be shared by the Integrity Commissioner without the written permission of the Member who requested the opinion or advice. The Member may grant permission to share part of an opinion or advice, but in circumstances where the member shares only a portion of an opinion or advice the Integrity Commissioner may release all or a part of the opinion or advice without the consent of the Member.
- 13.6** Council may require any Member to undertake training with the Integrity Commissioner where Council determines that the Member has requested opinions and advice more frequently than is reasonable in the circumstances. The nature of the training will be to better explain the Member's obligations under this Code and the *Municipal Conflict of Interest Act* to better enable the Member to govern his or her conduct without seeking advice unnecessarily.

14.0 Role of the Integrity Commissioner

- 14.1** The Integrity Commissioner shall be appointed through by-law of the Municipality.
- 14.2** The Integrity Commissioner shall operate independently of Council in accordance with all of the authority and powers granted by the *Municipal Act*.
- 14.3** The Integrity Commissioner may delegate his or her duties and powers to any person, other than a Member. The delegation shall be in writing, shall

be disclosed to the Clerk and shall set out the precise delegation, including the duration of the delegation.

- 14.4** Any delegation shall be at the sole discretion of the Integrity Commissioner, provided that the delegate is qualified and capable of independently undertaking the work.
- 14.5** The Integrity Commissioner shall make an assessment prior to undertaking any investigation as to whether the complaint gives rise to the need for another entity to undertake an investigation. In those circumstances where the allegations disclose a potential *Criminal Code* offence or the breach of other legislation (other than the *Municipal Conflict of Interest Act*), the Integrity Commissioner shall refer the investigation to the appropriate entity and shall not conduct his or her own investigation unless the entity determines that no investigation is required.
- 14.6** The Integrity Commissioner shall prepare and submit to Council a public Annual Report that shall include at a minimum:
- (a) A break-down of costs incurred for the following categories of work performed (advice/investigations/dispute resolution/training);
 - (b) A summary of the nature of requests made and the resolution of the matters, without providing any confidential information in the Report; and
 - (c) Any recommendations for improvements to this Code or processes or any procedure, rule or policy of the Municipality governing the ethical behavior of the Member.

15.0 Enforcement and Sanctions

- 15.1** Any breach of this Code may be investigated by the Integrity Commissioner in accordance with this Code and Council shall determine whether to impose any penalty or sanction on a Member found to have breached any provision of this Code.
- 15.2** Every Member has an obligation to cooperate with any investigation.
- 15.3** The *Municipal Act* authorizes Council to impose one or more of the

penalties listed below, if so desired, on a Member that has contravened this Code of Conduct:

- (a) A reprimand; or
- (b) Suspension of the remuneration paid to the Member in respect to his or her services as a Member of Council, Local Board or Committee, as the case may be, for a period of up to 90 days.

15.4 The Integrity Commissioner may also recommend that Council impose one of the following sanctions:

- (a) Written and/or verbal public apology;
- (b) Return of property or reimbursement of its value or of monies spent;
- (c) Removal from membership of any Committee or Board;
- (d) Removal as chair of a Committee or Board; and
- (e) Other sanctions that are reasonably connected to the breach of this Code of Conduct and which the Integrity Commissioner believes in his or her sole discretion are necessary to modify the behavior of the Member.

16.0 No Reprisal or Obstruction in the Enforcement of the Code

16.1 Every Member must respect the integrity of this Code of Conduct and inquiries and investigations conducted under it, and shall co-operate in every way possible in securing compliance with its application and enforcement. Any reprisal or threat of reprisal against a complainant or any other person for providing relevant information to the Integrity Commissioner or any other person is prohibited. It is also a violation of this Code of Conduct to obstruct the Integrity Commissioner in the carrying out of any of his or her responsibilities, including without limitation destroying relevant communications.

Monitoring

17.0 Complaint Protocol for Council and Local Boards

- 17.1** Any individual who identifies or witnesses behavior or an activity by a Member that they believe is in contravention of this Code of Conduct or the *Municipal Conflict of Interest Act*, may file a formal complaint. - 17.2** Any person may file a complaint with the Municipality by submitting in writing to the Clerk.  - (c) The Integrity Commissioner may request additional information from the complainant prior to making an assessment.
- 17.4** The complaint shall be filed with the Clerk, who shall forward the matter to the Integrity Commissioner. - 17.5** If the complaint is not, on its face, a complaint with respect to non-compliance with this Code of Conduct or the *Municipal Conflict of Interest Act*, or the complaint is covered by other legislation or complaint procedure under another policy, the Integrity Commissioner shall refer the complaint to

the appropriate entity for investigation, advise the complainant in writing, suspend the investigation until after the matter has been finally disposed of, and report the suspension of the investigation to Council.

18.0 Refusal to Conduct Investigation

18.1 If the Integrity Commissioner is of the opinion that the referral of a matter to him or her is frivolous, vexatious or not made in good faith, or that there are no grounds or insufficient grounds for an investigation, the Integrity Commissioner shall not conduct an investigation and, where this becomes apparent in the course of an investigation, shall terminate the investigation. The Integrity Commissioner shall communicate this position in writing to the complainant and the Member identified in the complaint.

19.0 Opportunities for Resolution

19.1 Following receipt and review of a formal complaint, or at any time during the investigation, where the Integrity Commissioner believes that an opportunity to resolve the matter may be successfully pursued, and both the complainant and the Member agree, efforts may be pursued to achieve an informal resolution at the discretion of the Integrity Commissioner.

20.0 Investigation

20.1 The Integrity Commissioner will proceed as follows, except where otherwise required by the *Public Inquiries Act*.

contravention not more than six (6) weeks before Nomination Day.

- 22.5** The Integrity Commissioner has all the powers set out in the *Municipal Act* when undertaking an investigation under this section and shall follow the investigation process established in paragraph 20 above.
- 22.6** Where an investigation has not been completed before Nomination Day in an election year, the Integrity Commissioner shall terminate the investigation on that day.

- 22.8** The Integrity Commissioner shall complete the investigation within 120 days of receipt of the complaint, unless the investigation is terminated in accordance with paragraph 22.6 above.
- 22.9** The Integrity Commissioner may, after completing an investigation, apply to a judge in accordance with the *Municipal Conflict of Interest Act* for a determination under the Act. 23.0 Recommendation Report

- 23.1** The Integrity Commissioner shall report to the complainant and the Member generally no later than 90 days after the official receipt of the complaint (120 days in the case of a complaint under the *Municipal Conflict of Interest Act*). If the investigation process takes more than 90 (120) days, the Integrity Commissioner shall provide an interim report and must advise the parties of the date the report will be available.
- 23.2** After completing the investigation, the Integrity Commissioner shall prepare a report which shall make findings of fact and conclusions as to whether a breach of this Code of Conduct or the *Municipal Conflict of Interest Act* occurred, as the case may be, make recommendations to Council, and in the case of a *Municipal Conflict of Interest Act* investigation, make a determination as to whether or not the matter will be referred to the court, and include written reasons for the decision.

23.3 The report of the Integrity Commissioner shall be published by posting the report on the Municipal website and making a copy available to all Members of Council and the Members of the Board or Committee, as applicable.

24.0 Member Not Blameworthy

24.1 If the Integrity Commissioner determines that there has been no contravention of this Code of Conduct or the *Municipal Conflict of Interest Act*, or that a contravention occurred although the Member took all reasonable measures to prevent it, or that a contravention occurred that was trivial or committed through inadvertence or an error of judgment made in good faith, the Integrity Commissioner may so state in the report and may make appropriate recommendations.

24.2 Where a Member has sought and followed advice from the Integrity Commissioner and is subsequently the subject of a complaint, the Integrity Commissioner may refer to the earlier advice and, provided that the facts as set out in the earlier advice are still applicable, determine in a summary manner that there has been no breach of this Code of Conduct or the *Municipal Conflict of Interest Act*.

25.0 Public Disclosure

25.1 The Integrity Commissioner and every person acting under his or her jurisdiction shall preserve confidentiality where appropriate and where this does not interfere with the course of any investigation, except as required by law and as required by this complaint protocol.

25.2 The Integrity Commissioner shall retain all records related to the complaint and investigation.

25.3 At the time of the Integrity Commissioner's report to Council, the identity of the person who submitted the complaint shall not be treated as confidential information if the Integrity Commissioner finds that it is necessary to disclose that person's identity.

Authority

The Town is authorized, pursuant to Subsection 223.3 of the *Municipal Act, 2001*, as amended, to appoint an integrity commissioner who has the function to investigate in an independent and confidential manner, a complaint made to him or her by any person, as to whether a member of council or a member of a local board has complied with the Code of Conduct or other ethics-related policies, rules or procedures, and to report on the investigation. Effective March 2019, Subsection 223.2(1) requires a municipality to establish codes of conduct for members of the council of the municipality and of its local boards. Ontario Regulation 55/18 prescribes the matters to be covered in a code of conduct.
