## **NOTICE OF PROCUREMENT**

The Corporation of the Town of Prescott will be formally requesting tenders for the following project, Town of Prescott Harbour Docks and Upgrades. Tender documents can be obtained on January 5, 2023 by accessing the bids & tenders website <https://prescott.ca/invest/invest-grow/bids-and-tenders/>

The Town of Prescott, is conducting the following Procurement tender for the design, build and supply of docks as listed in the tender documents. The results of the tender will generate separate contracts for the work as outlined in each Part.

Bids are to be submitted to the following address by 3:00PM (LOCAL TIME), January 26, 2023.

The municipality is seeking the most competitive pricing by means of this tender. A public opening of the tenders will not be taking place and is not scheduled.

Conditions for bidding are such that a supplier is required to have the legal and financial responsibilities to undertake the relevant scope defined in the tender. All conditions of the tender document must be met upon bid submission.

Procurement is subject to CFTA Chapter Five; Government Procurement.

**END NOTICE**
