VIRTUAL MEETING - Town of Prescott, Town Hall

Public viewing will be available via livestream at: <https://bit.ly/307LKe2>

An **Official Plan** provides direction and policy objectives for the growth and development of the community and establishes where land uses (e.g. residential, commercial, and industrial) should be located. The Official Plan covers a broad range of topics including transportation, economic development, housing and future development opportunities. The Official Plan works in conjunction with other municipal planning documents, such as the Zoning By-law, to guide the patterns of development in the Town.

At the **Public Meeting**, the Final Draft Official Plan will be available for review. Staff from the Town will be available to answer questions and obtain comments.

PURPOSE AND EFFECT: The Town of Prescott is undertaking the legislated review and update of its Official Plan as required by the Planning Act. The Town's current Official Plan was approved in 2006 and was last amended in May 2018. The Official Plan Review will update and refine the goals, objectives, policies, and schedules of the Official Plan to ensure that it is consistent with the 2020 Provincial Policy Statement and reflects matters of local interest. The proposed Official Plan will replace the existing Official Plan currently in effect.

THE SUBJECT LANDS include all lands located within the Town of Prescott municipal boundary. Accordingly, no key map is provided.
